v. Dr. Rudolf H. Hendel, Ph.D.  
Dr. Catherine G. Lin-Hendel, Ph.D.  
(the Hendels)

**Alleged Debtors**

CASE NO.: 21-18847-JKS

CHAPTER: 11

HON. JUDGE

JOHN K. SHERWOOD

Notice of Intent to Seek Appellate Review of Judge Sherwood's Orders (i) granting the In Rem Motion, (ii) denying the Motion for Reconsideration, (iii) dismissing the bankruptcy case and (iv) denying the motion to disqualify Judge Sherwood and Judge Arleo from cases involving the Hendels and to expunge all past orders and decisions made by the two judges.

2:19-CV-21341: v. Saudi Aramco

1 Please consider this as the required notice for Appellate Review by Dr. Rudolf H. Hendel  
2 and Dr. Catherine Lin-Hendel on Orders entered by Judge Sherwood, denying the Motion for  
3 Reconsideration (21-18847\_DOC-87), Ordering Dismissal of 21-18847 (21-18847\_DOC-88) and  
4 granting an Order for In Rem Relief (21-18847\_DOC-85).  
5

6  
7 The Hendels had also filed a Motion to Disqualify Judge Sherwood and Judge Arleo from  
8 cases involving the Hendels and to expunge all past orders and decisions made by the two  
9 judges (the Disqualification Motion 21-18847\_DOC-89). This Motion was DENIED based on the  
10 self-proclaimed argument that Judge Sherwood lacked jurisdiction to rule, as the Debtors'  
11 bankruptcy case had been dismissed. The Hendel motion to Disqualify (21-18847\_DOC-89) was  
12 filed and entered July 26, 2022. The Order for Dismissal was filed and entered into the Record  
13 on July 27, 2022. Since the Hendel Disqualification motion was filed before the Order for  
14 Dismissal, Judge Sherwood did not lack jurisdiction on the day the Motion to Disqualify was  
15 filed.  
16  
17  
18  
19

20 In addition, lacking Jurisdiction in the Motion for Disqualification would logically  
21 preclude Judge Sherwood from ruling on our Motion to Disqualify by denying the Motion. We  
22 are attaching this Motion to Disqualify for your convenience.  
23  
24

25 The Hendels therefore seek Appellate Review of Judge Sherwood's and Judge Arleo's  
26 biased rulings in the service of the Financial Institutions involved in this and related cases. The  
27 demonstrated compromised behavior as evidenced in their rulings and the Court Record  
28

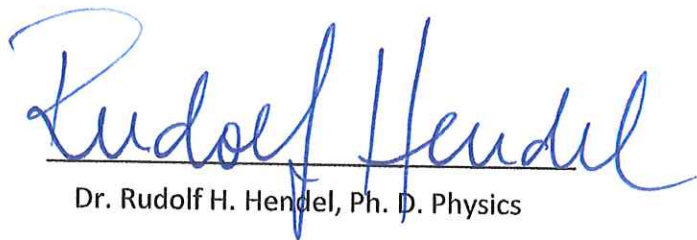

1 including Recordings of Hearings violates the Judicial Code of Conduct. Judge Arleo had already  
2 demonstrated servitude to Chubb and the Financial Institutions involved in persecuting the  
3 Hendels through the Courts in order to sidestep their liabilities in their demonstrated theft of  
4 intellectual properties in at least 8 patented inventions for more than ten years. The  
5 supervisory relationship between Judges Arleo and Sherwood has disabled and disqualified  
6 Judge Sherwood from his ability to uphold Justice according to facts and law.

10 We hereby certify that all statements made in the motion paper are truthful and factual  
11 to the best of our knowledge.
